Your medical network is America's PPO.

America's PPO

What is a medical network?

Your medical network is a group of healthcare providers. It includes doctors, hospitals, surgical centers and other facilities. These healthcare providers offer services at a lower rate than out-of-network providers, which you will see reflected on your statements as a discount.

What if I go outside of my medical network?

There may be times when you decide to visit a doctor or clinic that is out-of-network. The costs for these visits and services are often higher than seeing doctors that are in-network. You will be responsible for paying the difference between the provider's full charge and the amount your health plan pays. This is called balance billing.

How do I know if my provider is in-network?

Please visit your dedicated Benefits Website and click "*Find Care.*"

Your Pharmacy Benefit Manager is Prime Therapeutics.

What is a Pharmacy Benefit Manager?

Pharmacy Benefit Managers (PBMs) reduce prescription drug costs and improve convenience and safety for consumers.

What is Mail Order?

If you take maintenance medications for long-term conditions you could save money with Prime Therapeutics' mail service pharmacy. Visit your dedicated Benefits website to get started.

What are Generic drugs?

Generics are the same in dosage, safety, strength, quality and intended use as brand-name drugs, and although they are chemically identical to their branded counterparts, they are sold at substantial discounts. Talk to your doctor to find out if there is a generic equivalent for your brand-name drug.

Prime Therapeutics Member Portal

Access your prescription history, schedule a refill and more! Visit PrimeTherapeutics.com and select Member Portal. If it's your first time on the site, you will need to complete the one-time registration process.

Your Specialty Medications are administered through Payer Matrix.

Your Prescription Plan has been enhanced to reduce your cost paid for specialty drugs through a program called the Specialty Cost Containment Solution. All plan participants using specialty drugs are required to meet prior authorization criteria and administrative review under the Payer Matrix program. You must enroll in the Payer Matrix program or you will be responsible for 100% co-insurance or the full cost of your medication

If you are currently taking a specialty medication, please contact a Payer Matrix Care Coordinator at (877) 305-6202 or email customerservice@payermatrix.com.
